

TRANSFER STUDENT SPOTLIGHT

# NATIONAL TRANSFER STUDENT WEEK

OCTOBER 16-20, 2023

## NATHAN KEESEE

Major: Global Supply Chain Management  
Transferred from: Morgan State University

**FULL STEAM  
AHEAD**

“The main tip that I have for transfer students is to get involved. If you are not someone who likes to join groups, at least have a strong relationship with your major/program advisors and program chair. This person will directly help you navigate your program and tell you what opportunities are available for you.”

WAYNE STATE  
UNIVERSITY

## TAHLEEZ BARTELS

Major: Drawing

Transferred from: College for Creative Studies

**FULL STEAM  
AHEAD**

“The tip I have for transfer students is to always reach out to your advisor! This school has a lot of resources available to you, and they will aid you in your transfer. The transition is not hard at all from one school to the next as long as you maintain a courteous amount of contact with your new school's advisors.”

## SEERAT AULAKH

Major: Biological Sciences

Transferred from: University of Windsor

**FULL STEAM  
AHEAD**

**“My tip for transfer students is that becoming a Warrior is already an achievement. At Wayne State, you have transfer advisors, academic advisors, and other transfer students to guide you in your success. Track your credit evaluation, access your courses with a potential course at Wayne State and reach out to credit transfer. Wayne State is highly welcoming!!! Use the resources and opportunities to get involved on campus and enhance your experience as a Warrior!”**
