

This transfer plan will help guide you in making the transition from community college to Wayne State University. **WSU strongly recommend that all transfer students to meet with a WSU advisor to ensure you are taking the correct courses before transferring.** Here are the advisor contact information to set up an appointment:

Nora Alhussainy, cj2925@wayne.edu, 313-577-6831  
 Antoinette Cunningham, fv0926@wayne.edu, 313-577-0185  
 Kimberly Hunter, khunter@wayne.edu, 313-577-0601  
 Rebecca Russell, rrussell@wayne.edu, 313-577-2296

One of the main areas of focus for transfer students is the WSU **General Education Requirements**. These are classes in addition to courses within your major that are required to ensure fundamental skills and a well-rounded education. There are two ways that transfer students can meet these requirements:

**Michigan Transfer Agreement (MTA)**

A student whose community college transcript is endorsed as "MTA satisfied" has completed WSU's General Education Requirements. See here for specific MTA information and courses that qualify for MTA:  
<https://www.lakemichigancollege.edu/academics/educational-goals/transfer/transfer-information>

**Direct Course Equivalencies for each category**

- If you do not have an MTA endorsement, you can transfer the courses below to meet each requirement.
- Choose **one** from each category **except** for the Natural Scientific Inquiry, which requires **two** courses.
- Courses with an **asterisk (\*)** fall under more than one category, but these courses will fulfill only one category that would benefit the student most.
- **Bolded** courses are part of the major requirements for this degree. See under Major Requirements on page 2.
